Reference: [] ON

1. The only traffic we received on Subject subsequent to MUNI-0359 and MUNI-0376 is reference. We therefore assume there is no current interest in taking Subject up on the offer of MUNI-0376.

2. With reference to paragraph 3 of reference, 1/[] is interested in taking up contact with Subject for other reasons, we suggest that you make direct contact with him as an ostensible follow up to the meeting [] had with him on 7 November in Munich. We believe your bona fides with Subject can be established merely by referring to his 7 November meeting with [] which took place in [] apartment. If you would like to further prepare the groundwork for a meeting, we can always have [] write him a letter in advance. However, the virtue of a direct approach is that [] would then be unwitting of any recontact of Subject.
